Have you heard about our PIN program?

Programme d'intégration en Normandie

A 2-week program on French language and economic culture, entirely taught in French. This intensive short term session gives you an exciting opportunity to prepare your semester of study in Normandy.

Objectives

Complete immersion into the French culture with 3 approaches

1. French Language Courses and French immersion "on site"
2. Economic/ institutional and cultural approach: some afternoons and one full day a week, a fully integrated program of visits of firms, institutions, historic sites...
3. Extra academic outings: social program to discover French culture (gastronomy, music, bowling...)

Requirements

- Aimed at bachelor or master students
- A level of proficiency in French corresponding to B1 minimum is highly recommended

What is included

- Welcome and farewell events
- French courses
- Field and cultural visits
- Social outings

What is not included

- Travel to France and health insurance in France
- Food and lodging

Fees: 300 €
